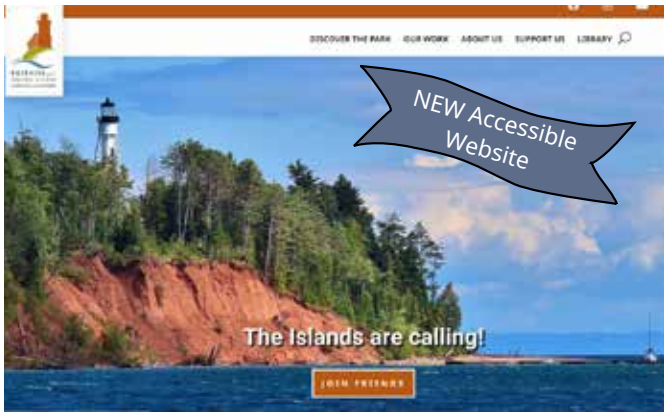
FROM FRIENDS: WHAT A DIFFERENCE A YEAR MAKES

"A year may seem like just the flick of a wave against the shore, but with your generosity Friends has used 2022 to continue to grow, take on new challenges, and become an even stronger voice …" *– Jeff Rennicke, Executive Director*

2022. What does a single year mean in a place where the sandstone dates back 700 million years, where glaciers sculpted the landscape 12,000 years ago, where a drop of water can take a century to work its way out of the lake? For Friends of the Apostle Islands, this year meant a record number of new members, volunteers tending the gardens at the Michigan Island Lighthouse, and children becoming Junior Rangers sporting badges your donations helped make possible. We debuted a brand-new website featuring state of the art accessibility tools, supported the efforts of the National Park Service in continuing its boardwalk project on Sand Island, and kicked off the largest initiative in our twenty-year history with the Access for All fund. A year may seem like just the flick of a wave against the shore, but with your generosity Friends has used 2022 to continue to grow, take on new challenges, become a stronger voice and an even stronger partner in support of the park you love. These islands may seem timeless but 2022 once again proved that with dedicated support from people like you, even a single year can make a difference for years to come.

—Jeff & Jill Rennicke, Co-Directors of Friends of the Apostle Islands

ACCESS FOR ALL
FRIENDS OF THE APOSTLE ISLANDS NATIONAL LAKESHORE



Donor List: October 1, 2021 to September 30, 2022

THANK YOU! We celebrate those of you who have helped support our mission in our last fiscal year. Your contributions & volunteerism are crucial.
